Subject: Airport incident

Dear James,

Further to our conversation on the phone last week, please accept my sincere apologies for last week's incident. We are aware that this was a result of local residents complaining about noise from the airport and we are as unhappy with the situation as you are. Please be assured that AeroSonic is doing all it can to better the conditions of people living near the airport. However, with respect to reducing the number of flights, I am afraid, there is nothing we can do at this time.

Your sincerely,

Charles
