

**Key Provisions of the Concession Agreement between
AeroSonic Pte Ltd and Republia International Airport Company**

ENVIRONMENTAL PROTECTION AND SAFETY

26.1 Conduct of Operations. Concessionaire shall conduct the Airport Operations in a diligent, safe and efficient manner in accordance with generally accepted international aviation industry standards and shall take all reasonable actions in accordance with said standards to minimise any potential disturbance to the general environment, including without limitation the surface, subsurface, sea, air, lakes, rivers, animal life, plant life, crops, other natural resources and property. The order of priority for actions shall be the protection of life, environment and property.

26.2 Emergencies. In the event of emergency and accidents, including but not limited to fuel leaks, accidents, explosions and other incidents which damage or might damage the environment, Concessionaire shall promptly notify RIAC of such circumstances and of its first steps to remedy this situation and the results of said efforts. Contractor shall use all reasonable endeavours to take immediate steps to bring the emergency situation under control and protect against loss of life and loss of or damage to property and prevent harm to natural resources and to the general environment. Contractor shall also report to RIAC and appropriate Government authorities on the measures taken.

26.3 Compliance. Concessionaire shall comply with present and future Republician laws or regulations of general applicability with respect to public health, safety and protection and restoration of the environment. In the event any regional or multi-governmental authority having jurisdiction enacts or promulgates environmental standards relating to the Airport, the Parties will discuss the possible impact thereof on the concession. The provisions of Article 23.2 shall apply to any compliance or attempted compliance by Concessionaire with any such standards which adversely affect the rights or interests of Concessionaire hereunder.
